

How is our program superior to others?

We offer pay-as-you-go for our introductory 12 week program

Learn the newest, most innovative technique in PMU that is less invasive, heals beautifully; long term results speak for themselves.

Not only does our training cover every concept thoroughly in the class room but we also provide hands on skills, working one on one with your trainer and performing services on actual models. You will enter this industry with a sense of confidence and knowledge to build your own successful Semi - Permanent Makeup business.

Our Mission

We are committed to ensure a safe and compassionate learning community, while continually striving for excellence in the Cosmetic Tattoo Industry. Raising the bar bringing compassion, accountability, respect, excellence and stewardship. Always fostering growth a mindset.
